Dear Mr. Powell:

On behalf of The National Agricultural Center and Hall of Fame I would like to thank you for your donation of the microfilmed copies of your poultry papers to our collections. Your books will fit in perfectly with our goals for The National Poultry Museum. I apologize about the delay in getting back with you; our institution has been without a curator for several years. As a result, we have gotten behind on processing donations.

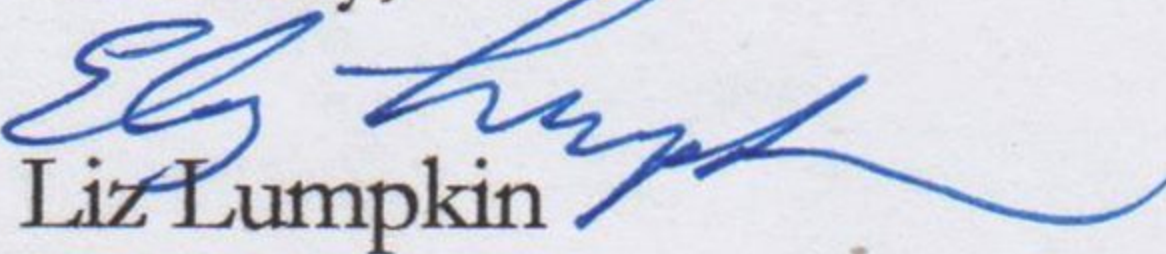

Enclosed you will find two copies of our Artifact Donor Agreement form. This serves as our permanent record of your contribution to The National Agricultural Center and Hall of Fame. Please fill out the form and sign on the bottom on the "Donor's Signature" line. Also included is an Object History Checklist. We encourage you to fill out this section with comments on the history of the books and how you have obtained them. This type of additional information is wonderful to have about our artifacts so that we can share the history of the books with visitors.

Once the forms are completed, please send one copy back to us in the enclosed stamped and self-addressed envelope. The second copy is for you to keep for your records.

Enclosed you will also find two passes to The National Agricultural Center and Hall of Fame. Visit our website, www.aghalloffame.com for information about our season next year; we hope to have many wonderful events. We hope you can visit us soon!

Thank you again for your generosity and interest in The National Agricultural Center and Hall of Fame.

Sincerely,

Liz Lumpkin
Curator
